by U.S. News – Best Lawyers®**

Rockville, MD — November 4, 2014 — Miller, Miller & Canby is pleased to announce that U.S. News – Best Lawyers® has awarded the firm a prestigious “First Tier” ranking in the Washington, DC metropolitan area in Eminent Domain and Condemnation Law for the third year in a row. Tier 1 is the highest rank given; the rankings are based on a comprehensive process that includes the collection of client and lawyer evaluations, rigorous peer review from leading attorneys in the field, and review of additional information provided by law firms as part of a formal submission process.

“We are honored to receive this accolade and are most appreciative to our clients for entrusting us to advise and represent them in important matters,” said Joe Suntum, principal with the firm since 1988.

Firms included in the 2015 Best Law Firms list are recognized for professional excellence; achieving a top tier ranking represents both quality and breadth of legal skills and capabilities. As a prior recipient of U.S. News’ most prestigious Tier 1 designation, Miller, Miller & Canby is particularly proud to receive the 2015 award, which reinforces the consistently high level of respect the firm has earned with its clients as well as the recognition by other leading lawyers for Miller, Miller & Canby attorneys’ abilities, professionalism and integrity.

Mr. Suntum lectures in national eminent domain litigation seminars conducted by ALI-CLE, as well as in the State of Maryland. He has authored numerous articles regarding eminent domain and worked with the Maryland legislature to reform eminent domain laws and protect the rights of property owners.
